

# FLOATING & FIXED DECK MOWERS

Equipped with Toro's exclusive TURBO FORCE® cutting decks, these models feature rugged and reliable construction, exceptional ground-following performance and superior after-cut appearance.

**FLOATING DECK**

## FLOATING DECK GEAR DRIVE MODELS

- 15 hp and 17 hp Kawasaki®
- T-Bar control system
- TURBO FORCE 7-gauge steel deck (except 32")
- 32", 36", 40", 48" and 52" cut widths

## FLOATING DECK HYDRO DRIVE MODELS

- 17 hp, 19 hp and 23 hp Kawasaki
- T2 T-Bar and pistol grip control systems
- TURBO FORCE 7-gauge steel deck
- 36", 40", 48", 52" and 60" cut widths  
(60" deck only available with pistol grip controls)

## DURABILITY

- 1 TURBO FORCE® heavy-duty 7-gauge steel deck construction
- 2 Robust 9-3/8" cast iron spindle housings with maintenance-free sealed bearings
- 3 3/8" steel reinforcement plate around discharge opening and 1/2" wear guard on trim side of deck
- 4 Welded 7-gauge steel bull-nose bumper (TURBO FORCE® models only)

## RELIABILITY

- 5 High horsepower, commercial-grade twin cylinder engines
- 6 Semi-pneumatic flat-free caster tires
- 7 Independent choke and throttle controls
- 8 Heavy-duty drive system; independent twin hydrostatic pump and motor drive or 5-speed gear box

## PRODUCTIVITY

- 9 Patented TURBO FORCE® adjustable discharge baffle (TURBO FORCE models only)
- 10 High-capacity, 5" deep deck design
- 11 Fast 6.2 mph forward ground speed

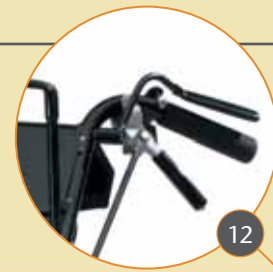

- 12 Choice of exclusive T-Bar control system, new T2 T-Bar controls or traditional pistol grip controls (availability varies by product configuration)
- 13 Convenient 4-pin height of cut adjustment, 1" – 4-1/2" (Floating Deck models only)
- 14 Hassle-free electric start standard on all floating deck hydro drive models

## AFTER-CUT APPEARANCE

- 15 Maximum dispersion, flexible rubber discharge chute
- 16 Super-fast blade tip speed; 18,000+ ft/min
- 17 High-lift, flex-resistant 1/4"-thick, heat-treated steel blades

## SAFETY

- 18 Tested to ANSI B71.4 safety standards

**FIXED DECK**

### FIXED DECK GEAR DRIVE MODELS

- 15 hp Kawasaki
- T-Bar and pistol grip control systems
- TURBO FORCE® 7-gauge steel deck (except 32")
- 32", 36", 40" and 48" cut widths

### FIXED DECK HYDRO DRIVE MODELS

- 15 hp and 17 hp Kawasaki
- Pistol grip control system
- TURBO FORCE 7-gauge steel deck
- 36", 40", 48" and 52" cut widths
